What We Do: \_\_\_\_\_

- IDFL is the largest testing laboratory for down and feather products in the world.
- We currently employ more than 60 certified analysts
- We have tested over 110,000 samples for 1,500 companies in 52 countries.
- We test bulk down and finished bedding and outerwear
- We monitor and inspect factories and shipments.
- We tests other fillings including polyester, cotton, silk, etc.
- We also offers a wide variety of textile tests.
